

COVID PROTOCOL

With the changing nature of the current regulations, as well as medical science, Al-Beit Lodge has taken a proactive stance in this regard. To this end, the following protocols are currently in place.

Various signage and reminders for guests to adhere to the protocols

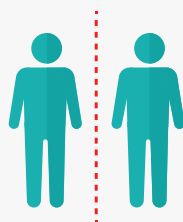

Sanitization stations dispersed in various areas (including wet wipes)

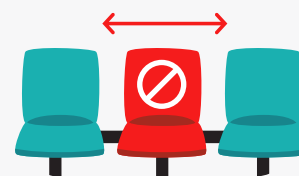

Masks to be worn in the public areas

No self-service buffets available

Social distancing in place for meals (food served to the table)

Social distancing in place for vehicles where possible (middle seat left open where possible and more than one group)

Temperature checks are done for guests and staff

Regular cleaning done with sanitization protocols

Certain higher risk communal areas temporarily closed
